SKILLS

Language

- *Indonesian, Javanese (Native)*
- *English (TOEFL iBT 93/120; Reading: 24, Listening: 24, Speaking: 24, Writing: 21)*
- *Korean (Intermediate – 3A)*

Relevant Technical Skills

- ***Enumerators Training; Data Collection; Statistical Analysis****: SPSS, STATA; **Geospatial Information Systems (GIS); Document Preparation***: Microsoft Office; **Design***: Adobe InDesign, Canva*
- ***GRE 301/340*** *(Qualitative Reasoning: 142; Quantitative Reasoning: 159; Analytical Writing: 3.5)*

RESEARCH INTERESTS

Population Growth; Demographic Dividend; Population Aging; Poverty; Labor Force

CONFERENCE PRESENTATION
Oral Presentation
- **2018 International Mathematical Statistics Asia Pacific Rim Meeting**   **06/2018**
  National University of Singapore, Singapore
  - *A Speaker in Contributed Paper Session*
  - *Title: Alternative Method to Identify non-Extreme Outlier (part one)*
  - *Authors: Lupitasari, Deja Firda;* ***Sanjaya, Evi****; Sukrianah, Isni; Yuliani, Risna*

HONORS AND AWARDS
- LPDP – Indonesia Endowment Fund for Education Agency Awardee 2024
- Change Agent Network of Statistics Indonesia of North Sulawesi Province, 2021
- Full Academic Scholarship with Stipend, Institute of Statistics BPS, Jakarta, Indonesia (2013 - 2017)

WORK EXPERIENCE
Statistician at BPS Statistics Indonesia (NSO) in Minahasa Regency   **02/2018 - present**
- Supervised and collected census and household/enterprise surveys using paper/computer-assisted personal interviewing.
- Trained and facilitated dozens of supervisors and enumerators for the population census and more than ten surveys with comprehensive explanations, examples, and role-playing.
- Led and managed the Coordination and Command Center of Population Census 2020 at Minahasa Regency
- Calculated the regency and sub-district population projection using a computer program based on the Population Census Data.
- Disseminated and analyzed the data collected through the infographic and book publication, posted infographic and statistics news through various official social media.
- Organized and allocated documents for census and surveys of the Social Statistics Division according to census block and the number of sample lists.

BPS Statistics Indonesia (NSO) Internship at headquarter   **11/2017-01/2018**
- Acknowledged the tasks and responsibilities of statistician at every level
- Analyzed employees' workload
